

## Member Update February 2013

- [www.bremertonfsc.org](http://www.bremertonfsc.org) Important and timely information is kept updated by our outstanding webmaster Mrs. Brenda Peterson. Remember to check it for upcoming events, test information, competition information, adult info and more!
- The Ben Agosto seminar was great fun and great education, with outstanding turn out by the club. Thanks for participating, and may the information he provided stay with you always. Sit back into your back crossovers! Take big shark bites! (yes, you had to be there to know what that means). And don't forget, you got sliced by a samurai sword!
- Please welcome Leisl Heston as our inaugural Basic Skills Deluxe member! She will be joining us for social events and helping represent the club.
- Some of you still need to fulfill your 10 volunteer hour commitment. There are a couple of opportunities upcoming, just bear in mind the season is coming to a close in five months.
